Dear Emersonian:

Being affiliated with Emerson College, you are undoubtedly aware of the ever-pressing need to provide our students with the broadest possible spectrum of educational benefits. It is imperative that Emerson students receive training that will best prepare them for their chosen fields of endeavor.

In presenting this education, we must always strive to make our students aware of the theoretical as well as the practical aspects of our surroundings. Understandably, we must complement the classroom situation with exposure to practical experience.

The Theatre Education Department has found a most viable means of combining these extremes. The Musical Theatre Society, operating under the aegis of that Department, provides numerous opportunities for students to experiment with and apply classroom knowledge. Established in 1969, the Society has successfully produced such popular shows as: FIORELLO; WEST SIDE STORY; CABARET; and FIDDLER ON THE ROOF.

Currently, the Musical Theatre Society is producing FABLES & TALES. This theatrical collage is accompanied by an original score cleverly interwoven with popular stories and newly conceived fables. FABLES & TALES is presented in such a way that it appeals to people of all ages.

FABLES & TALES will be presented at 67-69 Brimmer Street, Thursday, Friday, and Saturday, December 14, 15, and 16, at 7:30PM. Saturday also features a matinee performance at 2PM. Reservations may be made by phoning 262-2010, Ext. 288, Monday-Friday, 9-5PM. Tickets will also be on sale at the door.

Hoping to hear from you soon, I remain respectfully yours,

Mark Goldstein
